To Whom It May Concern:

This letter is to confirm the musical and speaking ability of Paul Koleske who conducted a Parish Mission at Christ Our Light Catholic Church in Loudonville, New York, in the Diocese of Albany.

Christ Our Light retained Mr. Koleske's services after contacting many parishes that Paul shared his ministry with. The other parishes all had enthusiastic reviews of his work!

Paul sang and spoke at each of our weekend Masses the weekend of March 13th and 14th, 2010. And, our parishioners sincerely appreciated Paul's message and were taken by his music.

On Sunday night, March 14th, through Tuesday night March 16th, Paul shared his three night Mission Series entitled 'Igniting the Light of Christ Within'. In short, the Parish loved it! Each night the crowd was steady and the energy generated by the combination of spoken message and music had a lasting effect on our Parish.

Paul is an excellent speaker, and I would consider him a fresh new option for any parish considering a Mission by a layperson in the Catholic Church.

If you are considering having Paul conduct a Mission at your parish, feel free to contact me with any questions.

I would be happy to have Paul Koleske visit Christ Our Light again and I know our parishioners would be delighted too.

Yours in Christ,
