To Whom It May Concern:

I write this letter of reference and recommendation for Paul Koleske on behalf of his God given gift of Catholic Speaking & Music Ministry.

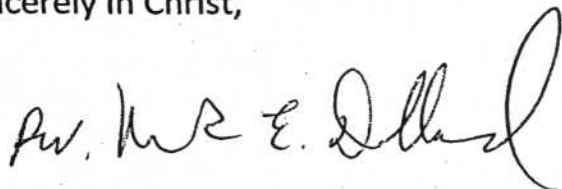

Paul conducted a Parish Mission including a start-up concert here at Good Shepherd Parish in Berlin NH, and Holy Family Parish in Gorham NH in March of 2011. His combination of speaking with integration of his inspired music proved to be a winning combination that my congregations thoroughly enjoyed.

I strongly feel that virtually all catholic parishes would benefit from his inspirational "Igniting the Light of Christ Within You" Parish Mission! My Parishes are predominantly elderly and they fully appreciated his presentation and music.

This past weekend, I had Paul return to my parishes and share his concert ministry at the beautiful church of St. Anne in Berlin, NH. He shared some of his inspired music at each weekend Mass (6) and in short, his music was a great addition to each Mass. It is no wonder why both the Mission and the Concert events are so well attended.

Paul is real through and through! His human lived experience and his faith in the power of the Cross naturally comes out in his singing and words of prayer. I highly recommend Paul and suggest that you host his ministry at your Parish for any of the events he offers.

Sincerely In Christ,

Rev. Mark E. Dollard

Pastor
