Dear Paul,

I would like to thank you so much for the wonderful concert and inspiring words you brought to our parish. Your music touched many hearts and the Holy Spirit filled us with such emotion and love. Listening to the words of your songs and hearing your own personal story helped many relate to situations in their own lives and felt so blessed by God's great love for us all.

I have received many positive comments about your presentation at our parish. It was very spiritually uplifting and your music is so inspirational. We all look forward to another visit from you.

I wish you much success in your ministry and know God will bless you in many ways as you continue to touch the lives of so many.

In His Service,

Pat Smith
