My Fellow Priests,

About a year ago this month I received a letter of reference from F. Mark Dollard regarding Paul Koleske and his Catholic ministry. After reading Fr. Mark's letter, I was struck by the statement he made saying that Paul was "the real deal" – I booked Paul for my 2013 Lenten Parish Mission.

Paul's "Igniting the Light of Christ Within You" Parish Mission was a absolute hit here at St. Mary's.

His easy listening and appropriate musical presence at each weekend Mass and his speaking ability became the perfect backdrop to inform and invite parishioners to the mission.

Each of his three nightly presentations was attended by a great number of people, who all shared the same response – incredible! His method of bringing scripture into the everyday life of each one of us and pointing to how we can more effectively use our God-given spiritual power was on point, effective and entertaining. He has a rare mix of not only being a gifted speaker, but also a great vocalist and guitarist. Paul's combination of weaving his inspired music into each night's teachings really helped each lesson settle in on the hearts of all who attended.

Paul is doing what we as priests ask our parishioners to go out and to – evangelize our great Faith!!

I urge you to book Paul's Catholic ministry for your parishes as I have already committed to bringing him back to min for his "Evening of Reflection Series." His web site is paulkoleske.com, with an e-mail address of paul@paulkoleske.com.

Fondly in Christ,

Rev. Daniel J. Sinibaldi
