January 9, 2013

We were blessed to have Paul Koleske come to St. Victoria Parish in Victoria, MN for our Advent Dinner in December of 2012. He brought with him the gift of great joy through song and word. He truly was willing to share his story with a delicate spirit, which was inspiring to all who attended.

His music is gentle easy listening Christian music with a James Taylor flare. The text of the songs, tell the story of Paul's life and spiritual transformation. He shares his faith journey which is part of his roots as a Catholic Christian, but he speaks to those of other faiths too. Anyone who has the opportunity to have him come and share his gift of song and faith story is fortunate.
