Recently my parish and I were blessed to have a parish mission done by Paul Koleske. He is a lay Catholic Evangelist. I had met Paul a few years ago when I was pastor at St. Edward and St. Francis Parishes. He did an afternoon concert for us. That concert was very spiritual and many people wanted him to return, so I scheduled him for a parish mission. I was transferred before that mission, but I scheduled Paul to come to St. Bernadette in Monroeville, PA. where I am currently pastor. The mission was fantastic! It was Spiritual and solid. The true measure of the blessings of a parish mission is the comments and reactions of the people. Each evening we had between 300-400 people. Since the conclusion of the mission, I have had countless people telling me the blessings they received and how they grew closer to the Lord. I can truly and honestly say, your parish would receive many blessings having a parish mission by Paul Koleske.

Peace of Christ,

Rev. Tony Gargotta
