

**St. Mark's  
Catholic Church**

Saturday, October 10, 2009

Dear Paul Koleske:

Thank you for visiting our Faith Community this past summer. Your visit during the weekend on July 11 and 12, 2009 was a wonderful experience for all parties involved. It has been 3 months since you appeared as part of our "Summer Concert Series" and parishioners still are talking about you today.

I want to especially thank you for participating in our weekend liturgies. Besides our bulletin, pulpit, and poster promotions, your presence in our community really helped in making this a successful event. You added beautiful sacred music and text throughout our four liturgies and it truly touched many members of our community.

Your concert was splendid: very emotional with stories of your experience as a growing Christian and absolutely beautiful music. I would not have been surprised if you sold out of your CD's that evening.

If there is a parish out there looking for an opportunity to bring in a guest for a retreat or concert ministry, you would definitely be recommended by me. You have left an everlasting impression on my community. God bless you Paul!

Again, just simply thank you. We look forward to having you back again soon!

Love in Christ,

A handwritten signature in black ink, appearing to read "BJB".
